

CTC

VIRTUAL ACADEMY

Sensory Storytime

You choose the theme, and we will bring it to life by exploring a different picture book each week! This storytelling experience is enhanced with a blend of multi-modal sensory engagement experiences and imaginative play that focuses on social-emotional learning, sequencing, and literacy skills.

This residency includes take-away activities to inspire creative exploration between class sessions.

Suggested Themes:

Mindfulness

Community

Problem Solving

Our World/Nature

Thinking Outside the Box

Royally Unexpected

Emotions in Motion

Seuss Stories

Amazing Animals

Fractured Fairy Tales

Friendship

Dinosaurs

Colors

Music & Rhythm
